2018

Report

Dear Friend,

I would like to extend my deepest gratitude for your ongoing support as the Smiles for Everyone Foundation continues to grow and touch more lives. This past year, the Foundation's volunteers were able to provide over \$3.5 million in donated dentistry, delivering care to over 5,000 individuals in need both at home in the U.S. and around the world. This would not have been possible without your generosity.

We had many patients whose lives were changed by the dental care they received, many brought to tears by the kindness they were shown. In this report, you will be able to read more about these patients and the impact of your donations.

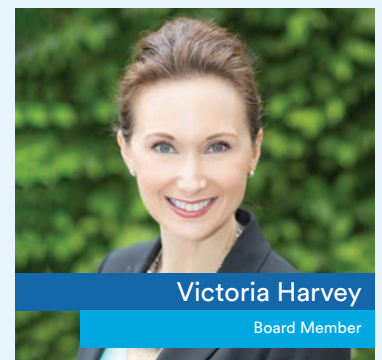

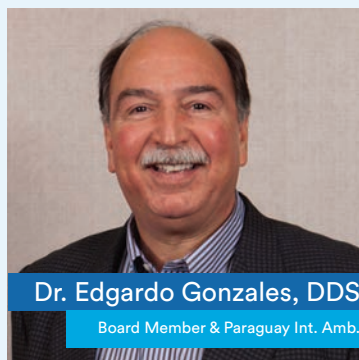

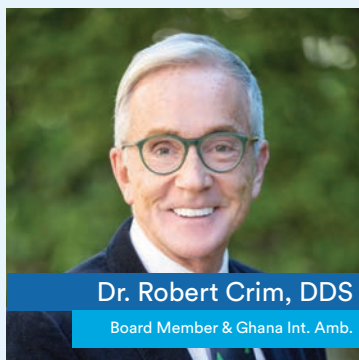

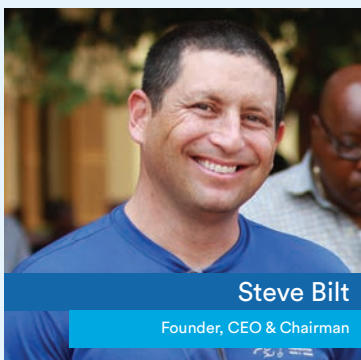

We have even bigger goals for the year ahead. With 29 Days of Giving and one International Outpost Trip scheduled for 2019, we will touch even more lives with our care.

I thank you again for your support in helping to deliver Smiles for Everyone®!

SPOTLIGHT PROJECT

PARAGUAY INTERNATIONAL OUTPOST TRIP

In July 2018, the Smiles for Everyone Foundation held an International Outpost Trip to Paraguay where Smile Brands Inc. affiliated dental providers and support staff provided care to over 550 individuals at orphanages, community centers and schools in some of the most impoverished communities surrounding Asunción. In addition to bringing dental equipment and supplies to provide to the Outpost, the Foundation team also partnered with local Paraguayan dentists to provide training on complex dental procedures so that they can continue to deliver Smiles throughout the year.

SPOTLIGHT PROJECT

During the six days of outreaches, the Team visited four communities, one of which left a mark on our volunteers. Although the living conditions in this community are very rough, the spirits of these community members remain high.

A group of children had found shells of violins, cellos and drums in the surrounding landfill and were able to refurbish the instruments using other landfill scraps to create an entire orchestra; what they call the “Landfill Harmonic.” As a show of appreciation as well as a bid farewell on the Team’s last day, the children performed a small concert for the team.

Every \$1 donated provides \$25 in donated dentistry for those in need.

The Smiles for Everyone Foundation relies on support from our partners and sponsors to make delivering Smiles to those in need possible. The Foundation counts on financial contributions as well as in-kind donations of dental equipment and supplies to be able to host our free dental clinics in the most effective manner. Smile Brands Inc. generously covers all administrative overhead costs so that all donations go to serve our programs directly.

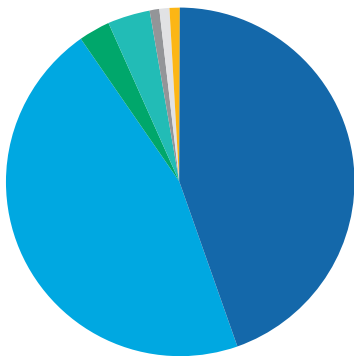

Between the donations from our sponsors and partners, as well as the providers and support staff who donate their time, we are able to provide care in the most impactful manner.
